Baltimore, MD 21231

3 - Once your \$25 is received, you will receive, via U.S. mail or e-mail, a Vendor's Receipt ***which you must bring with you on the day of the event. If you have an e-mail address, please be sure to include it with your check.***

General Information:

1-***No One*** can be guaranteed "last year's" space or any other space. We'll do our best to accommodate you if you have special needs, but no promises can be made.

2-Vendors must use the Luzerne and Baltimore Street entrance to Patterson Park. Someone will be on-hand to verify your Vendor Number and direct you to your assigned space. Traffic will wind through the park in order to promote a one-way traffic pattern. Please be aware that there are many people utilizing the park on a Saturday morning - **do not exceed 10 miles per hour.**

3-Vendors need to present their receipt when entering the park. The numbered slip only allows you to bring your vehicle into the park for set-up and tear-down – It is not a

parking permit nor is it your Vendor Number. You will be ticketed & towed if your vehicle is not removed from the park by 9:00 AM.

4- Set-up begins at 7:00 am. You will be allowed to drive back into the park until **AFTER** 3:00 pm in order to re-load your vehicle. If you choose to break down early, you are required to hand carry your items to your car.

5 - Goodwill Industries will be on-hand at 3:00 PM to pick up any unwanted items. Please re-pack items into boxes/bags. Obviously, this does not include trash items. If you want Goodwill to pick up your items, **you must be present when the truck comes around.** The driver is not permitted to load your items onto the truck. **DO NOT LEAVE YOUR UNWANTED ITEMS – YOU WILL BE CONTACTED TO RETURN TO THE PARK IN ORDER TO RETRIEVE YOUR LEFT OVER ITEMS AND WILL NOT BE ALLOWED TO PARTICIPATE IN ANY BUTCHERS HILL FLEA MARKETS IN THE FUTURE.** Some of the items that Goodwill will not accept are: **upholstered items, fish tanks, and curtain rods. You might want to check their website for a list of other items that they do not accept.** Trash receptacles are for trash only, not for unsold items. Please help us take good care of Patterson Park.

6-Spaces are approximately 15 feet square. Tables are not provided, but you are welcome to bring your own.

7-**Rain date is Saturday, May 17th.** If rain is in the forecast and you are unsure what to do, monitor www.butchershill.org, www.pattersonpark.com or look for a sign in the park. Please do not call.

8-Vendors are prohibited from selling food either for on-site consumption or take-home food, like baked goods.

9-Suggestion: Bring plenty of coins, one and five dollar bills with you so that you can provide change to your buyers. You may also want to bring bags.

10-You must take your left over items (that Goodwill refuses) and your trash with you at the end of the day.

11 – There will be a Park Ranger on duty all day.
